Goat milk candy is a kind of dessert with goat milk as the main component, which usually presents a rich milk aroma and unique flavor. Compared to cow's milk, goat's milk has a stronger taste and is often slightly salty. The candies are usually made with goat's milk, sugar and some natural spices, sometimes with nuts or other flavorings.

The taste of sheep milk candy is rich, which has both the mellow flavor of milk and the temptation of sweetness. It is a popular traditional dessert, especially in some regions, and is regarded as a nourishing delicacy suitable for festive or special occasions.
