Product Description

Basic Info.

Model NO.	RC-Cranberry
Application	Food, Health Care Products
State	Powder
Extract Source	Cranberry
Type	Cranberry
Appearance	Purple Powder
Product Name	Cranberry Powder
Latin Name	Oxycoccus
Certificate	Halal
Active Ingredient	Vitamin
Shelf Life	2 Years
Transport Package	25kg/Drum
Specification	99%
Trademark	KOMESZ
Origin	China
Production Capacity	20mt/Year

Product Description

Product Description

Mangiferin can be found in many plant species, among which the mango tree (*Mangifera indica*) is one of the primary sources.

It is a plant natural polyphenol of C-glycosylxanthone structure and possesses various pharmacological activities such as: antioxidant, antimicrobial, anti-atherosclerotic, anti-allergenic, anti-inflammatory, analgesic, immunomodulatory, antidiabetic, anti-sclerotic, anti-microbial, anti-viral, MAO (monoamine oxidases - enzymes that catalyze the oxidation of monoamines) inhibiting, memory improving, and cardio, potato, and neuroprotective.

Mangiferin is also radioprotective against X-ray, gamma, and UV radiation, which is why it is also used in cosmetics for antioxidant and UV-protecting properties.

Function

1. Mango extract can weight loss treatments,
2. Mango extract can appetite suppressant
