Product Description

Basic Info.

Model NO.	RC-Olive Leaf Extract
Application Form	Tablet, Capsule
Application	Health Care Products
State	Powder
Extract Source	Olive Leaf Extract
OEM	Available
Transport Package	25kg/Drum
Specification	99%
Trademark	KOMESZ
Origin	China
Production Capacity	20mt/Year

Product Description

Product Description

Olive Extract Hydroxytyrosol has powerful antioxidant properties. After gallic acid, hydroxytyrosol is believed to be one of the most powerful antioxidants. Its oxygen radical absorbance capacity is ten times higher than green tea, and two times higher than CoQ10. The olives, leaves, and olive pulp contain a few levels of hydroxytyrosol. Studies have showed that a low dose of hydroxytyrosol reduces the consequences of sidestream smoke-induced oxidative stress

in rats.

Function

1. Anti-diabetes;
2. Anti-virus, anti-bacteria, anti-fungi, and anti-protozoa and etc;
3. Anti-oxidant (more powerful than Vitamin C and E, with an ORAC value of 10,465mmol TE/g);
4. Enhance immune, and improving the auto-immune disorder;
5. Be lethal to some cancer cells;
6. Lower blood pressure;
7. Increase blood flow in the coronary arteries;
8. Relieve arrhythmias;
9. Prevent the hardening of the arteries;

Application

Used in beauty products and health products, can effectively enhance the skin elasticity and moist, anti-wrinkle with the effect of anti-aging.
