

Oyster Peptide Powder Oyster Shell Extract Oyster Meat Extract

Our Product Introduction

for more products please visit us on fdbcibotech.com

Basic Information

- Place of Origin: China
- Brand Name: KOMESZ
- Certification: HALAL
- Minimum Order Quantity: 25 kg
- Price: Negotiable
- Packaging Details: 25kg/bag or drum
- Delivery Time: 2 weeks
- Payment Terms: T/T, L/C
- Supply Ability: 100 tons per month

Product Specification

- Grade: Food,A,Top Quality
- Type: Natural Extract
- Form: Powder
- Packaging: Drum,Bottle,Can
- Extraction Type: Solvent Extraction
- Appearance: Brown Powder
- Test Method: Fine Powder, HPLC Or UV Or TLC Or GC
- Product Name: Oyster Extract
- Sample: Freely Offered,Available
- Shelf Life: 2 Years
- Specification: Food Grade
- Highlight: Oyster Meat Extract, Oyster Shell Extract, Oyster Peptide Powder

Product Description

Basic Info.

Model NO.	Oyster Extract
Application	Food, Health Care Products, Medicine, Cosmetics
Extract Source	100% Natural Oyster
Colour	Light Yellow Powder to Brown
Grade	Food Grade
Sample	Available
Transport Package	25kg/Drum

Application Form	Paste, Tablet, Capsule
State	Powder
Active Ingredients	Taurine
Raw Material	Oyster Extract
Delivery Time	1-3 Days
MOQ	1kg
Specification	10: -30: 1, 5%, 10%

Oyster Extract Powder is oyster meat extract powder processed from fresh oyster and contains such important nutrients as glycogen, taurine, zinc, etc. Oyster Extract provides a totally natural source of glycogen, phospholipids, marine vitamins and minerals and a rich source of the amino acid taurine. Oyster extract is considered particularly useful for body and liver cleansing, by promoting secretion of bile and enhancing its function. Oyster extract has also been used for centuries as an aphrodisiac to enhance men's reproductive power.

100% Natural Oyster Shell Extract:
